MEMORANDUM

To: Service Lists in Docket Nos. 5073
From: Cynthia Wilson-Frias, Chief of Legal Services
Date: January 10, 2022
Re: Docket No. 5073 – Petition of Retail Energy Supply Association (RESA) for Implementation of Purchase of Receivables Program – Standard Complete Billing Percentage & Payment Periods Filing

PROCEDURAL SCHEDULE (SCBP Filing)

This phase of the proceeding is to review National Grid's filings made on January 7, 2022. National Grid has proposed an effective date of February 18, 2022. Position memoranda need to have an identified sponsor who can respond to questions about the content.

01/18/2022 Deadline to Intervene
01/31/2021 Testimony/Position of RESA/Good Energy/Direct Energy
02/10/2022 Division Comments/Testimony

If there is additional activity required in this matter following the filing of the Division's Comments, we will have a procedural conference as the filing would then likely need to be suspended.

Currently, the PUC is requiring six (6) hard copy of filings to Luly Massaro with electronic copies sent to the service list. All filings should be in searchable format, including attachments to discovery responses to the extent practicable.
