<sup>1</sup> Per the Commission’s request, the Company is providing one copy of this transmittal for the Commission’s file in this docket and six (6) copies, 3-hole punched for the Commission.

PUC Post-Decisional 2-1

Request:

Referencing the Response to Post-Decisional Data Request 1-1, is the Company stating that it is currently investigating whether similar conduct occurred in any other areas of the entire energy efficiency program? If so, please confirm and describe the period of time that the Company is examining. If not, please specify exactly what areas of the energy efficiency program the Company is investigating, the specific activity the Company is investigating, and the time frame that the Company is investigating.

Response:

The Narragansett Electric Company (the "Company") is reviewing the activities of energy efficiency program managers to determine whether out-of-period invoicing or other similar activity occurred in any energy efficiency program during 2012-2021. The scope of the review is not limited to any specific program within the energy efficiency portfolio. As the investigation progresses, the Company will have a better understanding of which energy efficiency programs, if any, may have been impacted.

Certificate of Service

I hereby certify that a copy of the cover letter and any materials accompanying this certificate was electronically transmitted to the individuals listed below.

The paper copies of this filing are being hand delivered to the Rhode Island Public Utilities Commission and to the Rhode Island Division of Public Utilities and Carriers.
