Figure 3-1  
Project Alignment Drawings Index Map

State of Rhode Island  
Providence County:  
Cities of Lincoln & Cumberland

NOT FOR CONSTRUCTION

DATE: 3/15/2022

1" = 2,500'

AUTHOR: GANDREWS

Legend		*Indicates Layers Set to Transparency	
Existing Structure	V148S OH Line	Pull Pad	Community Wellhead Protection Area/Outstanding Resource Water
Install Structure with Steel Davit Arm	Approx. Edge of ROW	Graded Pull Pad	Natural Heritage Area
Install Structure with Steel H-Frame	Preferred Access Road	Field Delineated Intermittent Stream	NHESP Priority & Estimated Habitats
Install Structure with Concrete Caisson (1) and Steel Davit Arm	Access Road to be Improved	Field Delineated Perennial Stream/Bank	State-Listed Species Habitat
Install Structure with Concrete Caisson (2)	Refresh with Stone	Field Delineated Streams*	Conservation Land*
Remove Steel Lattice Structure	Off ROW Access Road	Field Delineated Wetland Lines	Soil Stockpile
Remove Wood 3-Pole Structure	Alternate Access Road	Field Delineated Wetlands*	Town Boundary
Remove Wood H-Frame Structure	Construction Mats	Wetland Replication Area*	Parcel Boundary
	Work Envelope*	MADEP Hydrologic Connections	Guardrail
	Graded Work Envelope*	USFWS Wetlands*	Superfund Site Boundary
	Guard Structure	Estimated Wetlands	Tree to be Removed
		50ft Perimeter Wetland	Culverts
		100ft Riverbank Wetland	Catch Basin
		200ft Riverbank Wetland/	Bike Path
		FEMA 100yr Floodplain*	Stonewall
		Water Bar	Fence
		Hazardous Material Site	Access Gate
		Leaking Underground Storage	
		Surface Water Protection Area	
		Ground Water Compliance Boundary	
		Zone II Wellhead Protection Area
