Re: Docket No: D-22-11 – Application of the Rhode Island PBS Foundation for Approval of Adjustment to Public Education and Government Access Fees

Dear Ms. Massaro:

Please accept this letter as comment by Cox Communications Inc. d/b/a Cox Communications New England ("Cox") in the above captioned proceeding. Cox does not object to the petition submitted by Rhode Island PBS. However, Cox respectfully requests that to the extent the Division grants an adjustment in access fees, that service providers be allowed 60 days after approval to notify customers and implement the change.

Thank you for your attention to this matter.
