MEMORANDUM

To: Docket Nos. 22-07-GE Service List
From: Cynthia G. Wilson-Frias
Date: August 23, 2022
Re: Docket No. 22-07-GE – The Narragansett Electric Company d/b/a Rhode Island Energy
Tariff Advice – Bill Credits for Electric and Gas Customers

REVISED PROCEDURAL SCHEDULE

The following represents the schedule agreed to at today's procedural conference. Previously, the Commission had requested a 14-day discovery response period.

09/07/2022 Deadline for parties to provide comments on the timing of the return of the residential ratepayer credits taking into account the Commission's questions and Rhode Island Energy's responses to the Commission's data responses. Parties should also provide comment on the following question: "Assuming the Commission were to approve a one-time credit to customers, would the month during which the credit appeared on the bill matter? If so, why?" (For example, the Commission could order the credit to be applied to the January 2023 bills).

09/13/2022 Deadline for Rhode Island Energy to provide a reply, if necessary.

Public comments can be submitted to Luly Massaro luly.massaro@puc.ri.gov at any time prior to the date of the open meeting decision, expected around mid-September.
