Re: BD Solar Palmyra Generation Unit – Docket No. 5196

Dear Ms. Cipane,

The Rhode Island Public Utilities Commission (Commission) has completed its review of the supplemental documentation submitted on June 27, 2022 regarding the BD Solar Palmyra Generation Unit. The documentation received indicates the facility began Commercial Operation on June 2, 2022 and the facility has been assigned the NEPOOL-GIS Asset Identification Number MSS73096.

Commission Staff has determined that the supplied documentation complies with the terms of the conditional eligibility authorized in Order No. 24297. Commission Staff has assigned to the BD Solar Palmyra Generation Unit the unique Rhode Island Public Utilities Commission Eligible Renewable Energy Resource Facility Certification Number RI-5196-N22. Renewable Energy Certificates associated with the production of energy from the BD Solar Palmyra Generation Unit which are minted on or after August 17, 2022 are eligible for the Rhode Island Renewable Energy Standard.

I can be reached at (401) 780-2107 should you have any questions regarding this matter.

Sincerely,
