AS 2-1

Request:

According to the filing, the proposed PEG Access Fee adjustment is \$0.135 however the total proposed fee is not provided in the filing. Please provide the total proposed PEG Access fee for effect on July 1, 2023, and the fee that will appear on customer's bills if different than the proposed fee.

Response:

The total proposed PEG Access Fee amount that RI PBS proposes charging to customers starting July 1, 2023 is \$0.685. This is the amount that would appear on customers' bills, and is the sum of the current approved PEG Access Fee amount of \$0.55 and the reconciled adjustment of \$0.135.
