Re: Docket 22-49-EL

Dear Ms. Massaro,

The Division respectfully requests that the Commission extend the date for the Division to submit Surrebuttal Testimony in the above-entitled matter. The Division requests an extension to July 13, 2023, or to such later date as the Commission grants any other parties in this matter. This request will serve to allow the Division additional time to assess the merits of filing Surrebuttal as well as constituting a placeholder so that the Division will not be unduly prejudiced should the Commission grant other parties' respective requests.

Thank you for your attention to this request.

Very truly yours,

Division of Public Utilities and Carriers
By its attorneys,
