Re: PUC Docket No. 22-05-EE and Docket 5189 – Investigation of Utility Misconduct or Fraud
Relating to Past Payment of Shareholder Incentive

Dear Attorney Harrington:

Permit me to acknowledge your memorandum dated 7/18/23. I can confirm that the Division intends to provide the PUC with a copy of the Division's report concerning the energy efficiency program when it is completed. At this time, I do not have a definitive date by which the report will be complete, but it is the Division's hope to finalize our activity in that regard by the close of third quarter.

Very Truly Yours,
