**RE: RPS Class I Eligibility Decision
NRS Bethel Solar LLC, 4.0018 MW
SQA 24832
[SL-8136-23]**

Will Jurith,

On behalf of the Department of Energy Resources (the Department), I am pleased to inform you that the Statement of Qualification Application for **NRS Bethel Solar LLC (SQA ID #24832)** pursuant to the Massachusetts Renewable Energy Portfolio Standard (RPS) – Class I Regulations is hereby approved. The Department finds that the Aggregation meets the requirements for eligibility as an RPS Class I Renewable Generation Unit pursuant to 225 CMR 14.05.

Each Massachusetts Class I Renewable Generation Unit is assigned a unique Massachusetts RPS Class I Identification Number (MA RPS Class I ID#), which must be included in all correspondence with the Department. As stated in the Statement of Qualification, your Unit's MA RPS Class I ID# is: **SL-8136-23**.

The Department wishes to remind you of the notification requirements for changes in eligibility status contained in 225 CMR 14.06(3) and for changes in capacity, contact information, Authorized Representative, and identity of the Owner or Operator contained in 225 CMR 14.06(6). The Owner or Operator of the Generation Unit shall submit notification of such changes to the Department no later than five days following the end of the month during which such changes were implemented.

The Department also calls your attention to the Independent Verifier requirements for Generation Units whose output is not reported to the NEPOOL GIS via the ISO New England, pursuant to 225 CMR 14.05(1)(c). RPS Class I qualification of the output of the Unit includes DOER approval of your Independent Verifier: **AlsoEnergy**. You must inform DOER of any

substantive change in the relationship between AlsoEnergy and NRS Bethel Solar LLC that could affect their qualification to serve in the capacity of Independent Verifier. Also note that the Independent Verifier must maintain detailed records of the monthly meter readings of the Unit, and that those records are subject to inspection by the Department.

Finally, the Department wishes to remind you to be cognizant of the Operating Rules and the reporting requirements of the NEPOOL GIS, which may be amended from time to time, and compliance with which may affect the RPS qualification of your Generation Unit's GIS certificates.

If you have any questions or concerns about the Statement of Qualification or any aspect of the RPS program, please contact the Department at doer.rps@mass.gov.

Sincerely,

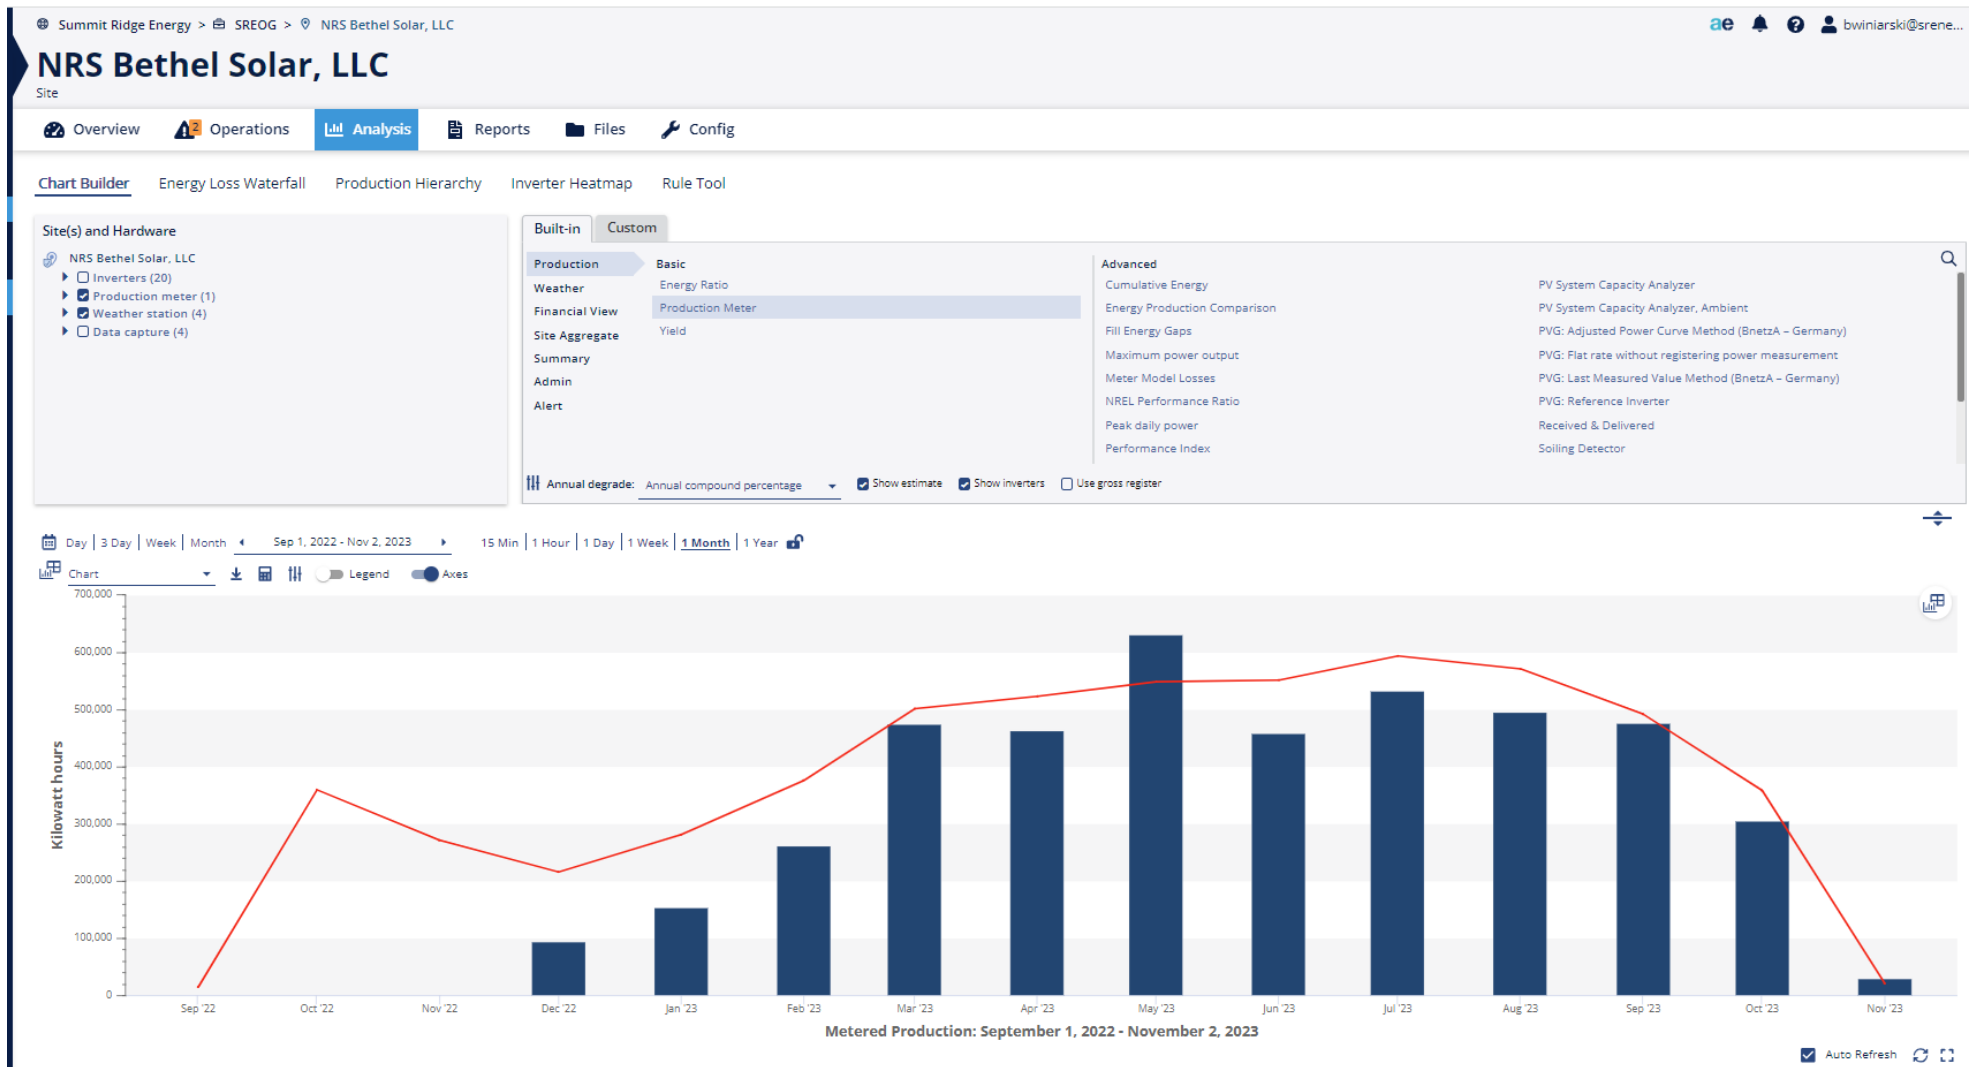

John Wassam
