ISLAND 2022 RES COMPLIANCE :

**MP2 ENERGY NE, LLC'S
RESPONSES TO RIPUC FIRST SET OF DATA REQUESTS
ISSUED 11/7/2023; RESPONSES DUE 11/27/2023**

Request 1-1:

Please provide, in a table, all retail energy products offered by MP2 Energy NE d/b/a Shell Energy Solutions (Shell or MP2 Energy) to end use customers in RI that resulted in actual sales during Compliance Year 2022. Please note, this question is specifically seeing a listing of all products offered *and sold* that included different levels of renewable energy in the product offering. Please list each product, the level of renewable energy (both mandatory and voluntary) included in the product, and the volume of sales in megawatt-hours.

Response:

In Compliance Year 2022, all MP2 Energy NE LLC d/b/a Shell Energy Solutions Rhode Island load was served under product offerings that only included the mandatory renewable energy standard percentage.

Request 1-2:

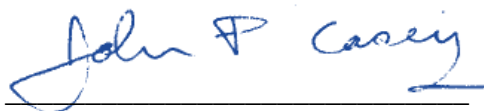

If the response to PUC 1-1 includes any products that included renewable energy procurement above the obligation in Compliance Year 2022 (i.e., voluntary additional purchases of renewable energy), please provided evidence that eligible certificates were retired for the purposes of substantiating the claims associated with these products.

Response:

Not applicable.

Respectfully submitted,
MP2 ENERGY NE, LLC
