IN RE: THE NARRAGANSETT ELECTRIC COMPANY'S APPLICATION FOR A LICENSE TO
MOBILIZE AND OPERATE A LIQUIFIED NATURAL GAS (LNG) VAPORIZATION FACILITY AT
OLD MILL LANE – DOCKET NO. SB-2021-04

NOTICE OF CANCELLATION OF PUBLIC COMMENT HEARING

The Siting Board was informed by Rhode Island Energy that the Company neglected to provide the required notice to the abutters to the project that there would be a public comment hearing on January 24, 2024 **at the Portsmouth High School located at 120 Education Lane in Portsmouth, RI 02871**. Similarly, the Company has not provided the required notice to the abutters for the evidentiary hearings within the statutorily mandated timeframe. As a consequence, the Board has canceled both the public comment hearing of January 24, 2024 and the evidentiary hearings that had been scheduled for February 12, 14, and 22, 2024. The public comment hearing and evidentiary hearings will need to be rescheduled. The parties and the public will be notified of a new schedule at a later date.
