Re: West Main Self Storage Generation Unit – Docket No. RES-23-16

Dear Ms. Gent,

The Rhode Island Public Utilities Commission (Commission) has completed its review of the supplemental documentation submitted on December 14, 2023 and January 24, 2024 regarding the West Main Self Storage Generation Unit. The documentation received indicates the facility began Commercial Operation on December 14, 2023 and the facility has been assigned the NEPOOL-GIS Asset Identification Number MSS74640.

Commission Staff has determined that the supplied documentation complies with the terms of the conditional eligibility authorized in Order No. 24818. Commission Staff has assigned to the West Main Self Storage Generation Unit the unique Rhode Island Public Utilities Commission Eligible Renewable Energy Resource Facility Certification Number RI-2316-N24. Renewable Energy Certificates associated with the production of energy from the West Main Self Storage Generation Unit which are minted on or after February 5, 2024 are eligible for the Rhode Island Renewable Energy Standard.

I can be reached at (401) 780-2107 should you have any questions regarding this matter.

Sincerely,

A handwritten signature in cursive script that reads "Luly E. Massaro".
