Rhode Island Energy proposes rate changes to both electric and gas distribution rates which would take effect April 1, 2024. The rate changes would affect electric and gas customers in all rate classes. Table 1 shows the categories of changes and estimates the impact on the monthly bill of a typical residential customer taking Last Resort Service (LRS) from Rhode Island Energy. Table 2 estimates the annual impact of the proposed gas rates on a typical residential heating customer's bill.

**Table 1: Monthly Bill Impacts of Proposed Electric Rates for a Typical Residential Customer taking Last Resort Service (500 kWh/month)**
