RE: Docket RES-23-01 – Sunnova Energy International Inc - Sunnova - Rhode Island
Aggregation Aggregated Application

RES Administrator:

According to PUC Order No. 24901, Paragraph 4, Sunnova Energy International Inc - Sunnova - Rhode Island Aggregation submits to add one thousand one hundred and four (1,104) Generation Units located in Rhode Island, each in its own aggregation, for qualification as eligible New Renewable Energy Resources. Sunnova Energy International Inc. has submitted the new data consisting of the Company's Aggregate System Template spreadsheet and supporting documentation verifying commercial operations and unique NEPOOL GIS Identification Number for each facility.

Very truly yours,

Frederic Cohagan, SVP
Wholesale & Aggregated Energy Services
