**1. Tariff Information and General Regulations**  
**1.4 Responsibility of the Telephone Company**

1.4.1 Furnishing of Service	
<b>A.</b>	The Telephone Company reserves the right to refuse an application for service made by, or for the benefit of, a former customer who is indebted to the Telephone Company for telephone service previously furnished.
<b>B.</b>	A telephone number is subject to change at any time.
<b>C.</b>	The Telephone Company reserves the right to restrict the amount of other services and equipment furnished or used in connection with any particular class of service in order to prevent any impairment in the quality of service furnished.
<b>D.</b>	In view of the fact that customers have exclusive control of their communications over the facilities furnished them by the Telephone Company, and of other uses for which facilities may be furnished by the Telephone Company, and because of unavoidableness of errors incident to the services and to the use of such facilities of the Telephone Company, the services and facilities furnished by the Telephone Company are subject to the terms, conditions and limitations herein specified.
<b>E.</b>	In compliance with the FCCs Memorandum Opinion and Order released December 16, 1992, the Telephone Company will provide the following Open Network Architecture (ONA) services to customers under rates, terms and conditions approved by the PUC.
1.	Dialed Number Identification Service (DNIS) on Dedicated Toll Free Service (DTFS).
<b>F.</b>	The Telephone Company retains title to all materials, including wire and cable that it installs.
<b>G.</b>	<b>Service Line Limitations</b> - Depending upon the availability of facilities, the Company will provide a maximum of two lines per service address.
