Subject: Withdrawal of Applications for Dry Bridge Brown Facility in Docket Nos. 4905, 4906, 4907, and 4908

Dear Ms. Massaro,

I am writing on behalf of MN8 Energy LLC ("MN8") regarding the applications submitted for the Dry Bridge Brown facility in Docket No. RES-23-12 and Docket Nos. 4905, 4906, 4907, and 4908.

After careful review, it has come to our attention that the application for the Dry Bridge Brown facility in Docket No. RES-23-12 is a duplicate of the four applications previously submitted in Docket Nos. 4905, 4906, 4907, and 4908.

MN8 wishes to withdraw the applications for eligibility submitted in Docket Nos. 4905, 4906, 4907, and 4908. We apologize for any inconvenience this may have caused and assure you that it was not our intention to submit duplicate applications.

We kindly request that this withdrawal be noted, and any further actions related to these applications be ceased. Should you require any additional information or clarification, please do not hesitate to contact me at recmgt@mn8.com.

Thank you for your attention to this matter.

Sincerely,

Dry Bridge Solar 1, LLC;

Dry Bridge Solar 2, LLC;

Dry Bridge Solar 3, LLC; and

Dry Bridge Solar 4, LLC
