Mr. Terry Mercer
Division of Public Utilities and Carriers
89 Jefferson Boulevard
Warwick, RI 02888

Dear Rhode Island Division of Public Utilities and Carriers –

The 2024 season is the ninth year the Providence to Newport Ferry will be running. As we continue to be dedicated to this service, we are looking for ways to further enhance the service and our objective of better utilizing the ferry for major events and summer activities that generate high volumes of vehicular traffic on our roadways.

SeaStreak, Inc., in partnership with the Rhode Island Department of Transportation, respectfully requests the following service schedule for the 2024 season, with stops in Providence, Newport, and Bristol as approved in years past. The proposed schedule of service is shown on the following page. We ask the Division to look favorably on this request. SeaStreak will ensure its schedule of operation will not impact any lifeline service.

Please let me know if you have any questions, comments or concerns with this request.

Sincerely,

Kristin Loeser
SeaStreak, Inc.
