Re: Taft-Peirce Solar Generation Unit – Docket No. RES-24-23

Dear Mr. Tyce,

The Rhode Island Public Utilities Commission (Commission) has completed its review of the supplemental documentation submitted on September 6, 2024 by Taft-Peirce Building, LLC (Applicant) regarding the Taft-Peirce Solar Generation Unit. The documentation received indicates the facility began Commercial Operation on July 26, 2024 and the facility has been assigned the NEPOOL-GIS Asset Identification Number MSS75097.

Commission Staff has determined that the supplied documentation complies with the terms of the conditional eligibility authorized in Order No. 25120. Commission Staff has assigned to the Taft-Peirce Solar Generation Unit the unique Rhode Island Public Utilities Commission Eligible Renewable Energy Resource Facility Certification Number RI-2423-N24. Renewable Energy Certificates associated with the production of energy from the Taft-Peirce Generation Unit which are minted on or after September 10, 2024 are eligible for the Rhode Island Renewable Energy Standard.

Sincerely,

A handwritten signature in blue ink that reads "Stephanie De La Rosa".
