Dear Ms. Esau,

The Rhode Island Public Utilities Commission (Commission) has completed its review of the supplemental documentation submitted on June 24, 2025 by JT Holding, LLC (Applicant) regarding the JT Holding Solar Generation Unit. The documentation received indicates the facility began Commercial Operation on May 8, 2025 and the facility has been assigned the NEPOOL-GIS Asset Identification Number MSS75814.

Commission Staff has determined that the supplied documentation complies with the terms of the conditional eligibility authorized in Order No. 25427. Commission Staff has assigned to the JT Holding Solar Generation Unit the unique Rhode Island Public Utilities Commission Eligible Renewable Energy Resource Facility Certification Number RI-2526-N25. Renewable Energy Certificates associated with the production of energy from the JT Holding Solar Generation Unit which are minted on or after July 2, 2025 are eligible for the Rhode Island Renewable Energy Standard.

Sincerely,
