Re: Narragansett Bay Commission – Docket 25-40-WW – Debt Service Compliance Filing

Dear Ms. De La Rosa:

Enclosed herewith please find an original and nine copies of the following:

1. The Narragansett Bay Commission's Revised Tariffs, including Existing Tariffs, Marked-Up Tariffs and Proposed Tariffs.

Please note that the Proposed Tariffs show the rates that would go into effect on July 1, 2026 as a result of the Commission's recent Order in the above captioned Docket. These rates assume that just the rates resulting from the Commission's decision in the above captioned Docket go into effect on July 1, 2026 and does not include any rate increase that may be granted in the Narragansett Bay Commission's pending general rate filing (Docket 25-32-WW). Please also note that an electronic copy of this document has been provided to the service list.

Thank you for your attention to this matter.

Sincerely,

Joseph A. Keough Jr.
