Re: Services to be Withdrawn: Switched/Unswitched and Intra-LATA DS0 Services

Dear Valued Customer,

Account Number: <BTN-Field2>
Vision ID: <Vision_Cust_ID>
Circuit ID: <CKT_ID>

Verizon is engaged in a multi-year program to update to next generation equipment and services. As part of this initiative, Verizon will discontinue certain Intra-State switched and unswitched private line DS0 services as well as certain Intra-LATA DS0 services.

This notice applies only to services sold by Verizon Delaware LLC, Verizon Maryland LLC, Verizon New England Inc., Verizon New Jersey Inc., Verizon New York Inc., Verizon North LLC, Verizon Pennsylvania LLC, Verizon South Inc., Verizon Virginia LLC and Verizon Washington, DC Inc.

According to our records, you currently subscribe to one of these services. The state-specific names for these services are shown in the table of [Attachment 1](#).

Verizon will stop fulfilling new requests for these services effective February 13, 2026. Circuit moves or changes, including modifications to these existing DS0 services will no longer be supported as of that date. Verizon will begin a phased discontinuance of these services on or after May 13, 2026. The timeframe to discontinue (i.e. disconnect) is subject to regulatory approval where required. Verizon will provide you with subsequent notice at least 90 days in advance of the actual date that your services will be disconnected.

Modifications in service offerings for customers with existing contracts are subject to the terms of their contract, including any tariff or product-guide provisions incorporated into the contract.

At this time, please review your applications that use any of these services and determine whether you wish to migrate those applications to an alternative Verizon product or to another provider. We are happy to work with you to find alternative Verizon solutions such as Ethernet Service, Private Internet Protocol Service, Wireless or VoIP Services.

We value your business and look forward to helping you realize the benefits that our advanced offerings can unlock for you. Should you have any questions or would like to discuss alternatives to the service being discontinued, please contact your Verizon Account Manager or call Customer Service at the toll-free number shown on your invoice.

For questions regarding this service withdrawal correspondence, please contact Kevin Organ at [631.206.7106](tel:631.206.7106) or email the program office at VZProductWithdrawal@verizon.com.

Sincerely,
