

**STATE OF RHODE ISLAND**  
**ENERGY FACILITY SITING BOARD**  
**Open Meeting Notice**

Pursuant to the provisions of the Rhode Island Open Meetings Act, R.I. Gen. Laws § 42-46-6(B), the public is hereby notified that the Energy Facility Siting Board (Board) will conduct an Open Meeting **on Wednesday, June 3, 2026 at 9:30 a.m.**, in Hearing Room A of the Public Utilities Commission Offices, 89 Jefferson Boulevard, Warwick, Rhode Island. The Board will discuss and/or vote on the matters listed below. Because this Open Meeting is not a hearing, the Board will not be accepting oral public comments. The meeting will be streamed live at the following web address: <https://video.ibm.com/channel/WqQyXw296dg>. Materials related to these matters are available upon request to the Board's Coordinator and at <http://www.ripuc.ri.gov/efsb/index.html>.

- **Docket No. SB-2026-02 – Quonset Development Corporation and GDQ ESS, LLC For a Licensure to Construct a 208 MW Battery Energy Storage Facility in the Quonset Business Park**

In this application filed by Quonset Development Corporation and GDQ ESS, LLC and prepared by Green Development LLC, the Company is seeking approval to construct a 208-megawatt battery energy storage facility on approximately 10 acres of land within the QDC Business Park. The project is designed to receive electricity from the regional electric transmission system to charge batteries at the energy storage facility and discharge electricity from the batteries back into the regional transmission system during periods when it is economic or beneficial to do so. A Preliminary Hearing took place on April 28, 2026. At the open meeting, the Board will consider, deliberate, and may rule on the issues to be considered, any pending motions to intervene, for confidential treatment and to expedite advisory opinions, and whether to designate state and/or municipal agencies to render advisory opinions.
