**Re: Actual Energy Inc.'s CY2025 RES Compliance Filing**

Dear Commissioners:

Actual Energy Inc. (the "Company"), originally licensed as a Nonregulated Power Producer in Docket D-96-6 (V9), respectfully submits to the Rhode Island Public Utilities Commission ("PUC") its CY2025 Renewable Energy Standard ("RES") Annual Compliance Filing. As the Company has discussed with PUC staff, the Company did not serve any retail electric customers in Rhode Island in CY2025 and does not intend to serve customers in this capacity in the future. Therefore, we are submitting a zero filing and request that the PUC accept this as the Company's final RES filing.

Should the PUC have questions or need additional information, please do not hesitate to contact me.

Sincerely,

/s/ Jared Dworken
