Re: **The Narragansett Electric Company d/b/a National Grid
Portable LNG Vaporization Project, Old Mill Lane, Portsmouth, RI
EFSB Application**

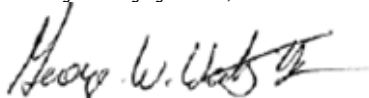

Dear Ms. Rodvien:

I am enclosing for filing on behalf of The Narragansett Electric Company d/b/a National Grid (“TNEC”) an original and seven (7) copies of an Application, which includes the Siting Report and Figures, pursuant to Rule 1.6 of the Energy Facility Siting Board (“EFSB”) Rules of Practice and Procedure for the construction and alteration of major energy facilities as described in the Application.

Also enclosed is one thumb drive with electronic copies of this letter, the Siting Report and the Petition. If you need additional copies of the above, please advise and we will provide them.

I am also enclosing an original and seven (7) copies of TNEC’s Petition for Waiver Extension to allow the portable LNG Vaporization Project to operate for the winter of 2021-2022 while the EFSB Application is being processed.

Very truly yours,

George W. Watson III
