**Re: Invenergy Thermal Development LLC/Clean River Energy Center Application, EFSB Docket No. SB-2015-06**

Dear Mr. Bianco:

As requested by the Board in its Decision and Order, dated April 13, 2017, I am writing on behalf of the Department of Administration, Division of Planning to notify you that the Division is working on completion of its supplemental advisory opinion, and anticipates that it will be submitted on or before August 13, 2017. The Division is still waiting for data to be provided by Invenergy in response to Data Requests sent in March and April, 2017. That data will be incorporated to the extent the deadline allows after its receipt.

Thank you.

Sincerely,

Jennifer S. Sternick
