This TAX AGREEMENT (THIS "Agreement") is made and entered into as of 3rd this day of November 2016, by and between the TOWN OF BURRILLVILLE, RHODE ISLAND, a municipality with offices at 105 Harrisville Main Street, Burrillville Rhode Island 02830 (the "Town") and CLEAR RIVER ENERGY LLC, ("the Company") a Delaware limited liability company, having an address of One South Wacker Drive, Suite 1800, Chicago, IL 60606.

Recitals

WHEREAS, On December 19, 2014, the Company acquired an option to purchase property ("Property") located on or near 54 Algonquin Lane in Pascoag (Burrillville) for purposes of developing, owning and operating a dual fuel combined cycle electric generation facility (the "Facility") that will be known as the Clear River Energy Center Project ("CREC Project"); and

WHEREAS, The Town and the Company desire certainty and stability in the amount of taxes that will be paid by the Company in support of the CREC Project.

NOW THEREFORE, BASED UPON THE AFORESAID PREMISES AND IN CONSIDERATION OF THE COVENANTS, TERMS AND CONDITIONS HEREINAFTER SET FORTH, THE PARTIES DO HEREBY AGREE AS FOLLOWS:

1. Definitions

"CREC Project" shall mean the Clear River Energy Center ("CREC") combined cycle Facility consisting of two single shaft configuration combined cycle units.

"First Unit" shall mean the rated output from the first combined-cycle unit developed at the CREC and is expected to have a rating of approximately 500 MW.

“Financing Documents” shall mean any and all loan agreements, notes, indentures, partnership agreements, security agreements, intercreditor agreements, subordination agreements, mortgages, debentures, assignments, deeds of trust, subscription agreements, participation agreements, reimbursement agreements, leases and other documents reasonably necessary to the Financing of the Site.

“Taxes” shall mean the amounts of taxes imposed by the Town on real and personal property pursuant to this Agreement.

2. Term of Agreement

- (a) This Agreement shall become effective upon ratification by the Town Council and shall, subject to the terms of this Agreement, remain in full force and effect until the expiration of the Term, as set forth in subsection 2(b).
- (b) Notwithstanding any other provision of this Agreement, other than subsection 2(c), the term of this Agreement provides for tax payments by the Company to the Town over a period of twenty (20) years.
- (c) Not later than eighteen (18) months prior to the expiration of the term of this Agreement, but not later than October 1, 2037 the Town and the Company shall meet to begin good faith negotiations for an extension of this Agreement, with the intent that the parties will reach agreement as to the stabilized amount of real and personal property taxes to be imposed on the Facility and the real and personal property associated with the CREC Project during the extension period. Nothing herein, however, shall be construed to require any agreement by either of the parties in connection with such extension.
- (d) If the Company decides in its sole discretion to discontinue the development of the Facility for the CREC Project on the Site prior to the Commercial Operation Date, this Agreement shall terminate upon receipt by the Town of such written termination notification from the Company. Following such termination (i) the

Company shall have no further liability to the Town under this Agreement for taxes or fees due after the date of termination, and (ii) the Town shall have no further liability to the Company under this Agreement. After the date of such termination, real and personal property taxes shall be assessed by the Town pursuant to R.I.G.L. § 44-3-1, *et seq.*, or under applicable provisions of law.

3. Impact Fees and Support Payments

- (a) The Company will provide impact fees and support payments to the Town in the amounts, and upon the schedule, described in Exhibit A. These payments are intended to assist and compensate the Town for the governmental impacts, costs and additional support of staff, consultants, and resources required by the Town as relates to the CREC Project.
- (b) In addition, and notwithstanding any provision in the Town's Ordinances or Regulations or as set forth by the Rhode Island General Laws regarding permit fees, planning fees or other construction fees and assessments of any kind, the Company and the Town agree that to the extent the Town may lawfully agree to do so, the impact and support payments described in Exhibit A are *in lieu* of the Town's standard and customary governmental fees and charges with regard to local planning, zoning, building and/or construction, inspections, approvals or permits anticipated in the Town's review of the CREC Project; provided however, that sewer, water, and fire district taxes and fees, as well as all planning and zoning and other regulatory legal notifications and associated fees (including any necessary advertising) and fees that the Town may not lawfully waive, shall remain the Company's responsibility. Also, the Town is not waiving the right to seek consultant fees under R.I.G.L. § 42-98-9.1.

4. Tax Plan

- (a) Notwithstanding the valuation of the real and tangible property utilized by the CREC Project for the Site and the Facility, the Town and the Company agree that the Taxes paid by the Company to the Town will be determined as follows, as further described in Exhibit B:
 - (i) In the event that only the First Unit of up to approximately 500 MW at the CREC obtains a Capacity in the FCA by the ISO/NE the Tax payments paid by the Company to the Town shall be Three Million Six Hundred Thousand Dollars (\$3,600,000), regardless of the ISO/NE Capacity Price (\$/kW/month) awarded to the Company by ISO/NE for this one generation unit, and continuing thereafter for twenty (20) years with annual payments escalating at 2.5% per year. The payments under this scenario are described in Exhibit B and would amount to \$91,960,767, regardless of the ISO/NE Capacity Price (\$/kW/month) awarded to the Company by ISO/NE for the First Unit; and

- (ii) In the event that after the First Unit is selected, the Company is successful at securing additional Capacity Payments from the ISO/NE for the Second Unit at the CREC, the Taxes paid by the Company to the Town will be determined by the ISO/NE Capacity Price (\$/kW/month) awarded to the Company for the Second Unit, and as indicated on Exhibit B. By way of example, if the Second Unit secures Capacity Payments in Year 2, and the FCA Capacity Price for the Second Unit is at between \$7.00 - \$7.99, the Taxes for both units would equal Four Million Four Hundred Seven Thousand Five Hundred Dollars (\$4,407,500), and continuing until Year 20 with annual payment escalations at 2.5% per year (compounded), as reflected on the Schedule shown on Exhibit B.
- (iii) In the event that after the First Unit is selected, the Company is not successful at securing additional Capacity Payments from the ISO/NE for the Second Unit at the CREC, but the Company nevertheless elects to construct the Second Unit, the Taxes paid by the Company to the Town will be the amounts set forth under the column "Both Units FCA at \$7.99 or Under", as indicated on Exhibit B, until such time as the Second Unit secures additional Capacity Payments from the ISO/NE, at which time the taxes paid by the Company to the Town will be the amounts set forth under the column for "Both Units" corresponding to the Capacity Payments awarded for the Second Unit.

- (b) The initial payment hereunder shall be due at the end of March after the Commercial Operation Date. Thereafter, payments shall be made on an annual basis according to the schedule described in Exhibit B, with an annual payment due at the end of March of each applicable year.

5. Mutual Cooperation

The parties acknowledge that the effectiveness of this Agreement is conditioned upon the Town's enactment of an ordinance or resolution that determines the amount of taxes to be paid on account of the Site notwithstanding the valuation of the Site or the rate of the tax. The parties agree to use reasonable efforts to secure adoption of such ordinance or resolution in an expedited manner.

6. Assignment

This Agreement shall inure to the benefit of and shall be binding upon the Town and the Company and their respective successors and assigns. The Company, without the Town's consent, may assign, convey, pledge, transfer or otherwise encumber this Agreement and/or any or all of its rights, interests or obligations arising under this Agreement to any person or entity that is a successor in interest to the Company with respect to the Site and the Facility, or to any Lender in connection with a Financing of the Site and the Facility, provided that the Town shall be obliged to recognize such person or entity as the applicable party under this Agreement only if such person or entity has assumed all of the Company's obligations under this Agreement, which are capable of being performed from the date of assumption, in a writing delivered to and

enforceable by the Town, has cured all monetary defaults of the Company, and has cured such other defaults of the Company occurring prior to the date of such assumption as are reasonably susceptible of cure by such person or entity. The execution of any Financing Documents, or the foreclosure thereof, or any sale of the Site and the Facility thereunder, either by judicial proceedings or by virtue of any power reserved in such Financing Documents or at law, or the exercising of any right, power or privilege reserved in any Financing Documents, shall not be held as a violation of any of the terms and conditions hereof (and is hereby expressly permitted by the Town), or as an assumption by the Lenders personally of the obligation of this Agreement (and the liability of such Lenders shall be limited to the interest of such Lenders in the Site and the Facility). The Company's Lenders, at any time and in their sole discretion, subject to compliance with all applicable laws, shall be entitled to further transfer or assign the Company's interests, rights and obligations under this Agreement to a responsible and respectable assignee upon the occurrence of an the Company event of default under any Financing Documents; provided that the Town shall be obliged to recognize such person or entity as the applicable party under this Agreement only if such person or entity has assumed all of the Company's obligations under this Agreement, which are capable of being performed from the date of assumption, in a writing delivered to and enforceable by the Town, has cured all monetary defaults of the Company, and has cured such other defaults of the Company occurring prior to the date of such assumption as are reasonably susceptible of cure by such person or entity; provided further, however, that such party has substantial experience in the operation of power plants similar to the Site and the Facility or has entered into an operating contract with a third party who has substantial experience in the operation of power plants similar to the Site and is sufficiently creditworthy to perform its obligations under this Agreement. Except as provided above, no assignment of this Agreement or of any party's rights, interests or obligations hereunder may be made without the other party's consent, which consent shall not be unreasonably withheld, delayed or conditioned.

- (a) In the event the Company fails to pay Taxes under this Agreement when due, and such failure continues for a period of fourteen (14) days following the Company's receipt of written notice of such failure from the Town, such failure shall constitute an "Event of Default." The Town shall have all rights and remedies available to it in the collection of taxes under State law, including, without limitation, the assessment of interest, penalties and attorneys' fees pursuant to R.I.G.L. § 44-7-12, and the Company shall be entitled to the rights and privileges of a taxpayer in the Town, but shall not be entitled to the rights under R.I.G.L. § 44-5-26 through 44-5-31.

- (a) In the event all or substantially all of the Facility shall be damaged, destroyed or decommissioned, causing an extended cessation of operation, the Town and the Company will engage in a good faith effort to determine what adjustment is to be made to the payments due under this Agreement to account for the damage or destruction. The payments due under this Agreement with respect to such property should not exceed such amount as would result from taxes levied on the damaged or destroyed property. Any such change in the payments shall apply to the first calendar year following the respective calendar year during which the damage or destruction occurred, and the Company shall have no right of refund for payments properly made for the tax year during which the damage or destruction occurred. The payments as agreed to in Schedule A shall resume the following calendar year after the damage or destruction is repaired and the Facility is operational. In the event the Facility is physically unable to operate for a period of eighteen (18) consecutive months following COD due to (i) casualty or Force Majeure as defined below or (ii) any regulatory or legal proceeding that results in an unfavorable judgment, order, decree, stipulation or injunction that prevents the Company from constructing or operating the Facility, the Company may elect to terminate this Agreement. Should the Company decide to terminate operations of the Facility during the Term of this Agreement, the Town and the Company will enter into good faith negotiations to attempt to agree on an amendment to this Agreement for payments to the Town for a period of time after the cessation of operation.
- (b) This Agreement shall terminate upon the permanent cessation of operations of the Facility. Notwithstanding anything in the Agreement to the contrary, *Force Majeure* shall not mean:

- i. Customary inclement weather (in contrast to extreme weather) affecting construction, operation, or decommissioning of the Facility.
- ii. Unavailability of equipment, repairs or parts for the Facility, except to the extent due to a qualifying event of *Force Majeure* (whether such event affects the Company directly or any supplier, manufacturer, shipper or warehouseman).

The Town and the Company hereby consent to the jurisdiction of any state or federal court located within the State of Rhode Island and agree that all actions or proceedings relating to this Agreement shall be litigated in such courts.
- (c) Each of the parties hereto shall execute and deliver any and all additional documents or instruments, in recordable form, and provide other assurances, obtain any additional approvals required, and shall do any and all acts and things reasonably necessary, to carry out the intent of the parties hereto and to confirm the continued effectiveness of this Agreement. - (d) No amendment, change or modification of this Agreement shall be valid, unless made in writing and signed by all parties hereto.
- (e) This Agreement, together with its schedules, constitutes the entire understanding and agreement of the parties with respect to its subject matter and effective upon the execution of this Agreement by the respective parties hereof and thereto, any and all prior agreements, understandings or representations with respect to this subject matter are hereby terminated and canceled in their entirety and are of no further force or effect.

The parties have retained and have been assisted by legal counsel in connection with the negotiation of this Agreement; accordingly, this Agreement shall be construed without regard to any presumption or other rule requiring construction against the parties causing this Agreement to be drafted.
- (j) Consistent with its obligations under State law, the Town acknowledges and agrees that the Company's rights and privileges as a taxpayer in the Town require that the Town not take any action to treat the Company prejudicially or disproportionately in relation to other taxpayers in the Town; provided, however that the execution and delivery of this Agreement shall not constitute any such action.
- (k) The payments made under Section 4 of this Agreement shall be in lieu of any and all real and personal property taxes on the Site (and substitutions therefor or replacements or required modifications thereof or improvements thereon) which

would or could otherwise be assessed by the Town during the Term (including but not limited to those resulting from changes in tax laws or tax rates). It is understood by the parties that payments made under Section 4 above are to be considered as tax payments and the Company shall be entitled to the rights and privileges of a taxpayer in the Town as set forth therein.

- (l) This Agreement may be signed in one or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument. The Town and Company agree to use their respective best efforts to resolve any dispute(s) that may arise regarding this Agreement.

Any dispute that arises under or with respect to this Agreement that cannot be resolved in the daily management and implementation of this Agreement shall in the first instance be the subject of informal negotiations between representatives of the Company and the Town Manager of the Town of Burrillville, who shall use their respective best efforts to resolve such dispute. The period for informal negotiations shall not exceed thirty (30) days from the time the dispute arises, unless it is modified by written agreement of the Parties involved in the dispute. The dispute shall be considered to have arisen when one Party sends the other Party a written notice of dispute.

In the event that the Parties cannot resolve a dispute by informal negotiations under the preceding paragraph of this Section, the Parties agree to submit the dispute to mediation. Within fourteen (14) days following the expiration of the time period for informal negotiations, the Parties shall propose and agree upon a neutral and otherwise qualified mediator.

In the event that the Parties fail to agree upon a mediator, the Parties shall request the American Arbitration Association to appoint a mediator.
