**Re: Notice of Intent to Construct a Loop Line of Less Than 1,000 Feet**

Dear Mr. Ucci:

Per our conversation, enclosed for filing, pursuant to Rule 1.6(c) of the Rhode Island Energy Facility Siting Board Rules of Practice and Procedure, please find ten copies of The Narragansett Electric Company d/b/a National Grid's Notice of Intent to Construct a 115kV loop line of no more than 200 feet in Johnston, Rhode Island. A copy is also being sent to the Town Council of the Town of Johnston.

Please do not hesitate to contact me if you have any questions.

Very truly yours,
