Town of Burrillville
Harrisville Main Street
Harrisville, RI 02830

Dear Sir/Madam,

My family and I reside at 215B Old Wallum Lake Road in Pascoag. With this correspondence I wish to express my complete opposition to the proposed power plant on Wallum Lake Road. Our family has lived here for generations, and appreciates the quality of life this town offers. This will no longer be the case with this power plant and all that comes along with it almost literally in our back yard.

I ask that our rights as homeowners and citizens of this town be considered, and not sacrificed for the 'good' of the rest of the state.

Thank you,

Nathan Satish
