**Re: Docket 3706 – Transcript Correction Request**

Dear Ms. Massaro:

Pursuant to Rule 1.23 (b) of the Commission's Rules of Practice and Procedure, The Narragansett Electric Company d/b/a National Grid ("National Grid" or "Company") respectfully requests that the Commission correct the official transcript in the above-captioned docket and incorporate it into the record. National Grid's request satisfies the requirements of Rule 1.23 (b) because the requested correction is necessary to conform the transcript to the evidence presented by the Company at the hearing. In addition, the Company has obtained the assent of the other parties in this proceeding to incorporate the requested correction into the record.

The correction regards the testimony of Susan L. Hodgson at line 11 on page 90 of the official transcript. The transcript records the following statement: "I don't know. I am not a transmission person." National Grid requests that the official transcript be corrected by deleting the word "not" on line 11, and that this change be incorporated into the record. Thus, the statement would read: "I don't know. I am a transmission person."

Thank you for your attention to this matter. Should you have any questions, do not hesitate to contact me at 508-389-2877.

Very truly yours,

Thomas G. Robinson
