Ms. Luly E. Massaro, Commission Clerk
Rhode Island Public Utilities Commission
89 Jefferson Boulevard
Warwick, Rhode Island 02888

Dear Ms. Massaro:

We are filing, herewith, for effect June 10, 2006, tariff material consisting of:

RI PUC No. 15

Part/Section	Revision of Page(s)	Original of Page(s)
H/5	13.1 and 15	N/A

With this filing, Verizon Rhode Island (“Verizon RI”) proposes a revision to the tariff to allow for the relocation of Digital Centrex Plus Service to another Verizon Telephone Company under certain conditions. Customers electing to relocate their Centrex Service must maintain or increase the number of lines in service and the current term commitment must continue, or a new term of equal or greater length than the former term may be elected.

Verizon certifies that the rates for Digital Centrex Plus Service with the added provisions for relocation are not less than the Long-run Incremental Cost of providing the service.

This filing also corrects two typographical errors on Page 13.1 of Part H, Section 5.

If you have any questions regarding this filing, please contact Frances O'Neill-Cunha of my staff at 401 525-3560.

Enclosed are an original and nine copies of the tariff material. Please return a copy of this letter with your stamp of receipt.

Respectfully submitted,

Theresa L. O'Brien

5. Digital Centrex Services
5.2 Nynex Digital Centrex Plus (Centrex Plus) Service

5.2.2 Application of Rates and Charges	
I.	(Continued)
2.	Conversion to other Verizon Services — When a Centrex Plus customer upgrades to any of the following services: FLEXPATH, Superpath 1.544 Mbps Digital Service, Enhanced Flexgrow Service, ISDN Primary Service, High Capacity 1.544 Mbps Service (FCC No. 11), High Capacity 44.736 Mbps Service (FCC No. 11), Intellilight SONET (FCC No. 11), Frame Relay (FCC No. 20), and Asynchronous Transfer Mode (ATM) (FCC No. 20) under a term commitment of equal or greater revenue value than the remaining value of the current Centrex term commitment, termination charges will not apply. The 'revenue value' of a term commitment is the minimum amount that the customer would be required to pay Verizon pursuant to the commitment over the entire term of the commitment (or over the remainder of the term, if the commitment period has already begun). The order for the new service and the order for the disconnect of the Centrex Plus system must be received by the Telephone Company at the same time. Appropriate non-recurring charges apply for the replacement service.
J.	Exchange Access — A portion of the charges for main station lines are amounts that are attributable for the provision of exchange access.

5. Digital Centrex Services
5.2 Nynex Digital Centrex Plus (Centrex Plus) Service

5.2.3 Payment Plan	
E.	Additional Lines — Additional lines may be added to an existing system at any time during the system's term commitment. These lines are added at the same rate as the original lines in the system. All lines added will be coterminous with the original term commitment. Termination liability will be applicable for all lines added subject to 5.2.3.C. Month-to-month billed lines have a minimum commitment of one month.
F.	Relocation — Centrex Plus may be relocated to a different premises served by the same central office or to another central office served by the Company or to any other Verizon Telephone operating company (Verizon California Inc., Verizon Florida Inc., Verizon Mid-States (Contel of the South Inc.), Verizon North Inc., Verizon Northwest Inc., Verizon South Inc., Verizon Southwest (GTE Southwest Inc.), Verizon West Coast Inc., Verizon Delaware Inc., Verizon Maryland Inc., Verizon New Jersey Inc., Verizon New York Inc., Verizon Pennsylvania Inc., Verizon Virginia Inc., Verizon West Virginia Inc., and Verizon Washington, DC Inc.) without incurring termination charges. The number of lines in-service at the new location must be greater than or equal to the number of lines in service at the former location. The current term commitment may continue unchanged or a new term commitment may be elected for the system. The length of a new term commitment must be equal to or greater than the remaining term of the prior commitment. A relocation of a service can be combined with a conversion according to the regulations as specified in Part H, Section 5, Paragraph 5.2.2.1.2. Applicable nonrecurring charges will apply at the new location.
G.	Conclusion of a Term Commitment — At the expiration of a system's term commitment period, if service is not discontinued; a new term commitment may be elected for the system in accordance with the terms and conditions applicable to a new system. A S&E charge for rearranging combined billing applies for the order and any one time or NRCs previously paid do not apply. Service may be continued on a month-to-month basis without a term commitment at the then effective month-to-month rate. When the sole purpose of the order is to renew the term commitment, no S&E charge will apply.
H.	Renegotiate Terms — The customer may request to renegotiate a term commitment at any time. The commitment must be for an equal or greater number of lines than the currently effective commitment. The new commitment must be for a period of time at least equal to the remaining life of the currently effective commitment. A new term commitment period for the entire system begins the day following the completion of the conversion order. A S&E charge for rearranging billing does not apply for the order. When the sole purpose of the order is to renegotiate the term commitment, no S&E charge will apply.
I.	Transfer of Service: With the written permission of the Telephone Company, the obligation to pay term commitment charges may be assigned to another customer at the same location for a transfer of service charge and S&E charge for transfer of service, payable by the new customer. In addition to assuming responsibility to pay the term commitment charges, the new customer assumes the conditions applicable to Centrex Plus at the time of the transfer.
1.	A transfer of service between customers at the same time as a relocation is not permitted.
J.	Temporary Suspension of Service — Centrex Plus lines are not subject to the provisions of temporary suspension of service.
K.	Minimum Service Period —The minimum service period for any Centrex Plus system provided under a Term Commitment is 12 months. The minimum service period for any Centrex Plus system provided under Month-To-Month rates is one month.
