RE: Docket 3789 - Long-Range Gas Supply Plan

Dear Ms. Massaro:

Enclosed please find ten (10) copies of a replacement for page 2 of Appendix VI in National Grid's¹ Long Range Gas Supply Plan ("Plan") previously filed in the above referenced docket under cover letter dated October 26, 2007. This replacement page includes Tennessee Pipeline Zone 0 pricing data, which was inadvertently excluded on October 26th. With this pricing data, the Appendix is consistent with the discussion found on page 27 of the Plan.

Thank you for your attention to this filing. If you have any question, please feel free to contact me at (401) 784-7667.

Very truly yours,

Laura S. Olton
