

**CITY OF NEWPORT WATER DIVISION
Docket No. 3818**

**Data Requests of the Portsmouth Water and Fire District
to the Navy
Set I**

1. For the Navy water accounts with Newport Water, please provide the following information: list each account, including the Newport Water account number, the billing frequency, the meter size, the meter (pit) location, and a description of the area served.
2. For the water demand period between July 2005 and the most recent bill, please prepare a spreadsheet for each account that shows the month of consumption, the meter reading date, the billed consumption, and the type of meter reading (estimated or actual).
3. For any account that had an estimated bill or meter reading for the water demand period between July 2005 and the most recent bill, please indicate the last month and year prior to July 2005 where the bill had an actual meter reading.
4. Is the Navy aware of any water service that it is receiving from Newport Water that is not being billed to the Navy? If so, what is the service for and what is the estimated annual water consumption?
5. Who owns the water meters and the meter pits for the Navy accounts?
6. How does Newport Water obtain access to the water meter pits and meters that service the Navy?
