RE: Blackstone Hydro Associates

Dear Mr. Leahy:

The Commission has completed its review of the supplemental documentation submitted by Blackstone Hydro Associates on August 21, 2012 supporting the Generator Unit's operation in a Customer-Sited configuration and provision of the new NEPOOL-GIS Asset Identification Number of NON34498.

Commission Staff have determined that the supplied documentation is acceptable, and as authorized in Commission Order No. 18998 in Docket No. 3822, Commission Staff have assigned Blackstone Hydro Associates the unique Rhode Island Public Utilities Commission Eligible Renewable Energy Resource Facility Certification Number RI-3822-E12. Generation from the Blackstone Hydro Associates facility occurring on or after December 31, 1983 shall be considered to be Eligible Existing Renewable Energy for the purposes of the Rhode Island Renewable Energy Standard.

If you have any questions regarding this matter, please do not hesitate to contact me at (401) 780-2109.

Sincerely,

Dilip S. Shah
