Docket No.: 3942

INTERVENOR CITY OF WARWICK'S POSITION STATEMENT

Now comes the City of Warwick (the "City"), by and through its City Solicitor, and hereby provides this, the Intervenor's Position in the above-captioned matter. The City offers no objection or comment regarding the Kent County Water Authority's (the "Authority") request to use certain restricted accounts designated in Docket No. 3942 for two capital projects, as described and set forth in the Authority's Miscellaneous Petition For Relief in this matter. The City's position is based on the representations made by the Authority at the pre-hearing conference that the proposed projects set forth in their Miscellaneous Petition shall have no effect on water use rates at this time. Should a rate increase be disclosed or become an issue in this filing, then the City reserves its rights to participate in this matter at that time.

Respectfully submitted,
CITY OF WARWICK,
By and Through Its Attorney,

/s/ Peter D. Ruggiero
