Re: Narragansett Bay Commission – Docket No. 4026

Dear Ms. Massaro:

Enclosed herewith please find an original, and 9 copies, of a substituted page 2 of Attachment 1 to the Narragansett Bay Commission's recent compliance filing tariffs in the above captioned docket. The original attachment indicated that Residential, Condominium, Industrial and Commercial customers would receive fixed fee bills on a quarterly basis and that consumption would be billed as usage data is supplied by the appropriate Water Supply Board. This substituted page reflects the Commission's Order that these customers be billed monthly for fixed fees and consumption beginning October 1, 2009. I would request that this matter be scheduled for an Open Meeting at the Commission's earliest possible convenience to correct the filed tariff.

Please note that an electronic copy of this filing has been provided to the service list.

Thank you for your attention to this matter.

Sincerely,

Joseph A. Keough, Jr.
