**RE: Docket 4034 - Accelerated Replacement Program  
Monthly Report - April – December 2009**

Dear Ms. Massaro:

Enclosed for filing is an original and nine (9) copies of National Grid's<sup>1</sup> April-December 2009 Monthly Accelerated Replacement Program Report ("April-December 2009 ARP Report"). As explained in the Company's March 4, 2009 letter in the above-referenced docket, National Grid has agreed to provide the following two progress reports on a monthly basis: (1) a monthly list of completed service locations and their associated costs during the replacement period; and (2) a monthly status report detailing the main replacements that were commenced and completed in the prior month, identifying each project's location and known or estimated final costs.

The April-December 2009 ARP Report includes the following two attachments:

- Attachment 1 – National Grid's Main and Associated Service Replacement Candidates, and
- Attachment 2 – National Grid's Bare-Steel, High-Pressure Inside Service Replacement Program Candidates.

Thank you for your attention to this transmittal. If you have any questions, please call me at (401) 784-7667.

Very truly yours,

Thomas R. Teehan
