DELINQUENT BILLS - RESIDENTIAL CUSTOMERS ONLY

If your account is more than three months past due, service may be discontinued. To avoid a service shut-off, contact our Customer Service Office immediately so that you and one of our representatives can work out a mutually satisfactory settlement. If satisfactory arrangements cannot be made with a Water Supply Board representative, you may submit the matter to the Rhode Island Public Utilities Commission, but the PUC has ruled that you should not submit the matter to the PUC until you have first discussed the case with a representative of the PWSB. The address of the RI PUC is: Review Officer, Division of Public Utilities and Carriers, Consumer Section, 89 Jefferson Boulevard, Warwick, RI 02888, Toll-free in RI 780-9700.

Water service will not be discontinued while proceedings are pending before the PUC. Further, if a seriously ill person lives in the home, disconnection will be postponed upon presentation of a doctor's certification. The doctor's certification may be received at the Water Supply Customer Service Office initially by telephone, but must be followed within seven (7) calendar days by a written certification showing the name and address of the seriously ill person, the nature of the illness and its likely duration.

If service is terminated, the water will be turned on only after the entire past due amount has been paid off in full, including all penalties incurred through the date of payment, plus a reconnection charge. Payments following termination of service may be made by check or money order only to the Pawtucket Water Supply Board at its Customer Service Office.
