Dear Ms. Massaro:

We are filing, herewith, for effect April 17, 2010, tariff material consisting of:

PUC RI No. 15

Part/Section	Revision of Page(s)	Original of Page(s)
TOC	51 and 70	N/A
H/2	11 and 12	N/A
M/8	29 and 30	N/A

With this filing, Verizon Rhode Island ("Verizon RI") proposes to withdraw Centrex Call Management (CCM) Service on April 17, 2010. CCM is an optional feature for Centrex Service that provides detailed records of originating foreign exchange, toll free and dedicated toll free, compatible private line, and MTS calls and summary records for originating local exchange and directory assistance calls. Currently, there are no customers subscribing to this service in Rhode Island, and Verizon RI foresees no market for the service in the future.

If you have any questions regarding this filing, please contact Frances O'Neill-Cunha of my staff at 401 525-3560.

Enclosed are an original and nine copies of the tariff material. Please return a copy of this letter with your stamp of receipt.

Respectfully submitted,

Theresa L. O'Brien
