Re: Docket No. 4237-A

Dear Ms. Massaro,

The Division of Public Utilities and Carriers ("Division") writes in connection with the above matter. The Division and its expert have reviewed National Grid's Reply Comments to the Division's Recommendations ("NGrid's Comments" or "Comments") dated January 10, 2014. For the most part in its Comments, NGrid adopts the Division's Recommendations. To the extent that the Division's Recommendations and NGrid's Comments could be perceived as differing, the Division does not believe the differences are material and finds that NGrid's Comments are reasonable.

Very truly yours,

Leo J. Wold
Assistant Attorney General
