Dear Ms. Massaro:

At the February 26, 2014 hearing before the Rhode Island Public Utilities Commission (“PUC”) in the above-referenced matter, National Grid¹ indicated that it would file a proposed certificate of eligibility for tax credits for use in 2014 enrollments in the DG Standard Contract Program. Applicants are to submit the completed certificate to the Company along with their applications during a given enrollment.

The Company will also file with the PUC a revised proposed enrollment application that refers to the certificate and includes it in an appendix to the enrollment application.

Thank you for your attention to this matter. If you have any questions regarding this filing, please contact me at (401) 784-7667.

Very truly yours,

Thomas R. Teehan
