Re: REVIEW INTO THE ADEQUACY OF RENEWABLE ENERGY SUPPLIES
PURSUANT TO R.I.G.L. § 39-26-6
DOCKET NO. 4404

Dear Ms. Massaro:

ISO New England Inc. (the "ISO") has received discovery requests by the Conservation Law Foundation ("CLF") in Docket No. 4404. The ISO made an informational presentation in this docket at the request of the Rhode Island Public Utilities Commission (the "Commission"). The ISO is not a party to this proceeding and is not subject to discovery. The Commission's Rules of Practice and Procedure sections 1.18(a) and 1.18(c)(2) make it clear that discovery is contemplated to apply to parties to the proceeding. Therefore, the ISO respectfully declines to respond to CLF's discovery requests.

Please call me if there are any questions.

Sincerely,

Erica P. Bigelow
R.I. Bar #6584
