Comm. 2-1: According to the Maine DEP Order (Attachment Div 1-1, page 3 of 49), public hearings for the Bowers Project were held in April and May of 2013. Did the Maine DEP give formal, public notice of its denial of the Bowers Project prior to issuing the written Order on August 5, 2013? If yes, when did it issue notice of the permit denial?

Response: On July 24, 2013, the DEP issued a draft order denying the project. The draft order was circulated to the interested persons list and posted on the DEP's website. Comments on the draft order were due on July 31, 2013.

Prepared by, or under the supervision of, Neil Kiely.
