RE: Docket 4474 - National Grid's Proposed FY 2015 Gas Infrastructure, Safety, and Reliability Plan
Supplemental Response to Record Request 17

Dear Ms. Massaro:

On behalf of National Grid¹, I have enclosed the Company's supplemental response to Record Request 17 in the above-referenced matter.

The Company is providing this supplemental response to update the chart (in Record Request 17) to include the small commercial customer account class, which was inadvertently omitted from the Company's previous transmittal of Record Request 17.

Thank you for your attention to this transmittal. If you have any questions, please contact me at (781) 907-2121.

Very truly yours,

Raquel J. Webster

Enclosures

Supplemental
Record Request 17

Request:

Please provide the commercial customer count by rate class for the past two years. Please describe the typical customer.

Response:

Please see the table below for the Residential and Commercial and Industrial (“C&I”) customer count by rate class for the past two years and each rate class’ definition and typical customer.

| Customer counts | Feb-13 | Feb-14 | Typical customer |
|------------------------------------|----------------|----------------|---|
| Residential Non-Heating | 25,856 | 25,669 | All domestic non-heating purposes in individual private residential dwellings with six (6) or less units or in connection with condominium associations with gas supplied through one meter. |
| Residential Non-Heating Low-Income | 378 | 454 | All domestic non-heating purposes in individual private residential dwellings with six (6) or less units or in connection with condominium associations with gas supplied through one meter. Eligibility upon verification of the customer’s participation in the low income home energy assistance program or its successor program. |
| Residential Heating | 188,346 | 191,238 | All domestic purposes in individual private residential dwellings with six (6) or less units or in connection with condominium associations with gas supplied through one meter where natural gas is the primary fuel used for space and/or central heating equipment. |
| Residential Heating Low-Income | 18,178 | 18,119 | All domestic purposes in individual private residential dwellings with six (6) or less units or in connection with condominium associations with gas supplied through one meter where natural gas is the primary fuel used for space and/or central heating equipment. Eligibility upon verification of the customer’s participation in the low income home energy assistance program or its successor program. |
| Total Residential | 232,758 | 235,480 | |

Supplemental
Record Request 17, page 2

| Customer counts | Feb-13 | Feb-14 | Typical customer |
|------------------------|---------------|---------------|--|
| Small | 18,800 | 19,020 | Annual gas usage is equal to or less than 5,000 therms. For example, a local coffee shop. |
| Medium | 4,696 | 4,780 | Annual gas usage is greater than 5,000 therms, but less than or equal to 35,000 therms. For example, a pizza store. |
| Large Low Load | 454 | 466 | Annual gas usage is greater than 35,000 therms, but less than 150,000 therms and whose off-peak (May through October) gas usage is equal to or less than 30% of the annual gas usage for the most recent September through August period. For example, a high school. |
| Large High Load | 185 | 180 | Annual gas usage is greater than 35,000 therms, but less than 150,000 therms and whose off-peak (May through October) gas usage is equal to or greater than 31% of the annual gas usage for the most recent September through August period. For example, a chain hotel. |
| Extra Large Low Load | 37 | 36 | Annual gas usage is equal to or greater than 150,000 therms and whose off-peak (May through October) gas usage is equal to or less than 30% of the annual gas usage for the most recent September through August period. For example, a university. |
| Extra Large High Load | 76 | 81 | Annual gas usage is equal to or greater than 150,000 therms and whose off-peak (May through October) gas usage is equal to or greater than 31% of the annual gas usage for the most recent September through August period. For example, a large industrial company. |
| Total C&I | 24,248 | 24,563 | |
