IN RE: NATIONAL GRID'S – DISTRIBUTED GENERATION INTERCONNECTION
TARIFF (R.I.P.U.C. NO. 2078) - DOCKET NO. 4483

NOTICE TO SOLICIT COMMENTS

Pursuant to the open meeting decision and interim order of the Public Utilities Commission (PUC or Commission) issued on November 12, 2014, the PUC will accept written comments regarding National Grid's proposed revisions to the Distributed Generation Interconnection Tariff (R.I.P.U.C No. 2078) (DG Interconnection Tariff) filed on January 15, 2015. The DG Interconnection Tariff describes the process and requirements for an Interconnection Customer to connect a power-generating facility to the Company's Electric Power System, including discussion of technical and operating requirements, metering and billing options, and other matters. National Grid's proposed revisions to the DG Interconnection Tariff are based on comments and feedback received from interested stakeholders who attended workshops conducted by National Grid during the period November 24, 2014 through January 6, 2015.

Interested parties and members of the public may file written comments regarding National Grid's proposed revisions to the DG Interconnection Tariff by **4:00 P.M. on February 13, 2015** to Luly Massaro, Commission Clerk, RI Public Utilities Commission, and 89 Jefferson Boulevard, Warwick, Rhode Island 02888.

The DG Tariff and related documents may be examined at the PUC's office. The filing can also be accessed at www.ripuc.org under Commission Docket Menu, Docket No. 4483.
