**RE: Docket 4600 – Investigation Into the Changing Distribution System and the Modernization of Rates in Light of the Changing Distribution System**

Dear Ms. Massaro:

In its Notice of Commencement of Docket and Invitation for Stakeholder Participation issued on March 18, 2016, the Public Utilities Commission (PUC) indicated that it anticipates National Grid<sup>1</sup> will be represented on the stakeholder committee that will be formed in this docket. In response to the PUC's Notice, the Company is submitting this letter to nominate Timothy R. Roughan, Director of Energy and Environmental Policy, as its representative on the stakeholder committee.

The Company looks forward to the continued discussions with the PUC and its Staff, the Division of Public Utilities and Carriers, the Office of Energy Resources, and other stakeholders regarding this important docket.

Very truly yours,

Celia B. O'Brien
