SCHEDULES - DOCKET NO. 4800

AMENDED NOTICE OF PUBLIC HEARING

The public is hereby notified that the September 24, 2018 hearing scheduled in the above captioned is moved. Pursuant to Rhode Island Gen. Laws §39-3-11, the Public Utilities Commission (PUC) will conduct a public hearing on **Tuesday, September 25, 2018 @ 9:30 AM.** in Hearing Room A at the PUC's office located at 89 Jefferson Boulevard, Warwick, Rhode Island. The hearing may continue thereafter from day to day and time to time as required. The hearing will be streamed live at <http://www.ustream.tv/channel/WqQyXw296dg>.

In this docket, the PUC will examine an application by Suez Water seeking approval to implement new rates designed to generate additional operating revenues in the amount of \$1,024,856 to support a total cost of service of \$5,838,744. Suez Water proposes to implement monthly billing for all retail customers. The Company also requests to establish a Distribution System Improvement Charge (DSIC) that will allow the utility to file for rate increases associated with non-revenue producing investments to replace aging utility infrastructure outside of a general rate proceeding. As proposed, the impact on a residential customer's bill with an average monthly consumption of 6 HCF is an increase of \$4.88 per month, or 17%, from \$28.72 to \$33.60. The impact of the proposed rate increase on other retail customers will vary based upon class and consumption level. The impact on wholesale customers is 19%, on Public Fire Service is 30% and on Private Fire Service is 31%.

The application is on file for examination at the PUC's office. The application can also be accessed at <http://www.ripuc.org/eventsactions/docket/4800page.html>. Reference is made to Chapters 39-1, 39-3 and 42-35 of the Rhode Island General Laws.

The Public Utilities Commission is accessible to the handicapped. Individuals requesting interpreter services for the hearing impaired must notify the Clerk's office at 780-2017 seventy-two hours in advance of hearing date.
