**RE: Docket Nos. 5076 & 5189 – Annual Energy Efficiency Program
Request for Extension to File 2021 Year-End Report and
Final Numbers of Gas Overspend**

Dear Ms. Massaro:

The Narragansett Electric Company d/b/a National Grid (the “Company”) respectfully requests a due date of May 13, 2022 to file the 2021 Year-End Report and the final numbers related to the 2021 gas overspend that was identified in Docket No. 5189.

At an Open Meeting on January 25, 2022 the Public Utilities Commission (“PUC”) directed the Company to file final numbers related to gas overspend with the PUC by April 1, 2022. The Company respectfully requests an extension to provide such numbers as the impacts of the gas overspend will be better contextualized with the completion of the 2021 Year-End Report which will include the net benefits achieved and performance incentive earned. The Year-End Report is generally due by May 1st. However, given the increased complexity of calculating the net benefits achieved and resulting performance incentive earned under the new performance incentive mechanism (“PIM”), the Company is respectfully seeking additional time to submit the 2021 Year-End Report. At this time, the Company anticipates that it will be able to complete the Year-End Report on or by May 13, 2022. In the event that the Company needs additional time, it will notify the PUC and the Division of Public Utilities and Carriers.

Thank you for your attention to this matter. If you have any questions or concerns, please do not hesitate to contact me at 401-784-4263.

Sincerely,

Andrew S. Marcaccio
