Re: Docket 5083

Dear Luly,

It has come to my attention as general counsel to the Pascoag Utility District that certain exhibits of ours submitted in connection with the above docket contain proprietary and confidential information. Therefore, I am requesting on behalf of the Pascoag Utility District that exhibits numbered 2,3,4 and 5 be afforded the protective treatment according to the protocols included, inter alia, in Section 1.3(H) of the Commission Rules and Regulations.

Very truly yours,

William L. Bernstein, Esq.
