

Division 2-20

Request:

On pages 23 and 24 of Mr. Dudkin's testimony, he discusses the TSA. What contingency plans does PPL have in place to address the potential that the transition is not completed within the forecasted two-year transition period?

Response:

At this time PPL and National Grid anticipate that the transition services will be completed within the two-year transition period based upon negotiations and efforts to date. If it appears that any services will need to be provided beyond the two-year transition period, PPL and National Grid have the ability to negotiate to extend the provision of any such specific services beyond the two-year period.

Supplemental Response:

PPL and PPL RI also refer to Attachment PPL-DIV 2-20-1.
